### Haunted House - Kaden Mathers

Haunted House - Kaden Mathers

Haunted house full of darkness,

Dracula, wizards

And bats

Underneath children's beds, wolves  
as black as the night sky

Nobody can witness the terrifying  
tress talking in the night

Terrifying bat's teeth like blades,  
appearing from its mouth

Everybody remembers this night,  
they can't forget anything, not even  
Dracula's bite

Darkness rises from the ground,  
zombies, wolves and dead mice.

Hiding in hideous alleys, where Drac-  
ulas come and go, it isn't much

Original houses never to be seen, if  
they are, I'll send in the Dracula  
team

Unbelievably, there are cats catching  
bats

Silly skeletons reading books while  
they cook

Enormous Dracula, as black as night,  
if you look he'll give you a fright.

### Horror Craft - Joshua Mullaney

Horror is here, and it's yours to fear

On top of a throne, you may break a bone

Right now, I'm shivering in fear

Rotten flesh and dead bodies everywhere

Obviously, I'm in for a scare!

Right, that's it, I'm going home.

Concentrating on going to sleep

Right now, I can't make a peep

All I can think of is that big, nasty creep

Fat and ugly but scary as well

That's it, I might as well say farewell.

### Glittering Garden - Rishita Suresh

The radiant garden

It will be attacked by a demon

But they will use their mind,

And a solution they will find,

And make the demon die and harden.

The demon is allergic to the sun

And an enormous volcano had begun

The demon had an army,

Which was high and mighty

But the battle was lots of fun

Because the demon had no guns.

The battle did not damage

But the injuries were very savage.

The city people did not mind

Because no one actually died,

They had a weapon carriage.
