**Year: 4****Half term: Spring 1 Leys LKS2  
Creative Curriculum Topic Planner****Project Title: Anglo-Saxons****Focus Subjects: History/ Science/ DT****Subject: English**

This term we will begin by dressing up as Anglo-Saxons and listen to stories. We will then look at the features of different types of Anglo-Saxon stories. After this, we will use descriptive language to create our own traditional tales based in the Anglo-Saxon era. Following this, we will create a non-chronological report using all of the information and facts we have learnt about our topic.

**Subject: Science**

Science: The digestive system  
History: The Anglo-Saxons  
Computing: Using data, communication and collaboration.

**Subject: D.T**

DT: We will be creating honey shortbread which was a main desert the Anglo Saxons ate. We will also be creating small Anglo-Saxons relic bags.

**Skills**

**Science:** To understand parts of the digestive system.  
**History:** Research key facts, matching key dates to main events, summarising key information.

**Skills**

**D.T** -To understand basic hygiene when cooking, weigh in grams and use an oven correctly.  
**Computing:** To create basic stop motion animations.

**Knowledge**

**Science:** To know why key organs are important and how food travels through our body. To understand the different types of teeth and their characteristics.  
**History :** To understand the timeline of main events, to know the main tribes, to know where the Anglo-Saxons came from and why they invaded Britain.

**Knowledge**

**Computing:** To program keys and instructions to allow different figures to move in a variety of directions.  
**D.T:** To know how to cook honey shortbread and sew material in order to create a relic bag. .

**Leys Link Learning Value:**
