

My Parliament Election Speech

Hello, my name is Abigail and I am 10 years old. The most important things to me are swimming and being a good friend.

My best qualities are that I am a good listener and I am always willing to help other people.

When I was 5 years old I joined girl guiding starting with Rainbows, then moving into Brownies and now into Guides. This has given me the opportunities to work with lots of different people to find new solutions to all sorts of different challenges. These are the skills that I will bring to this role.

Why should you vote for me?

Let me tell you a few good reasons why you should!

1. I will treat everyone the same and will listen to everyone's ideas. To make sure everyone is heard.
2. I will put 100% effort into this role and make sure I will do my best and I will do it with a smile!
