

## The Leys Primary & Nursery School

## COVID-19 catch-up premium spending: summary 2020-21

SUMMARY INFORMATION			
Total number of pupils:	162	Total catch-up premium budget:	£ 33,250.00

## Overall aims of the catch-up premium strategy:

- To raise the attainment of all pupils to close the gap created by COVID-19 school closures
- To reduce the attainment gap between disadvantaged pupils and their peers
- The mental health needs of pupils that have arisen as a result of the pandemic are met and supported by the school

## Planned expenditure for current academic year & Action plan for Covid Catch up

Targeted Support				
To establish structured small group tutoring, to support pupils who have fallen behind furthest to make accelerated progress towards their individual targets	<ul> <li>Curriculum impact meetings scheduled to be half termly to agree teacher led interventions - content determined by analysis of baseline assessments and ongoing formative assessments.</li> <li>After school small group tuition delivered by The Leys staff - for all year group 1 - 6</li> </ul>	<ul> <li>Interventions follow assessment, ensuring that support is well-targeted pupil progress is monitored</li> <li>Sessions are carefully timetabled to enable consistent delivery</li> <li>Targeted support for</li> </ul>	<ul> <li>Provision Maps completed for each class</li> <li>Interventions monitored by SLT. This is included on the monitoring overview.</li> </ul>	
	Teachers and support staff deliver same day interventions for closing the gaps and addressing misconceptions.	- children with speech and language needs will lead to accelerated development for those children	Curriculum     Impact Data	
	<ul> <li>Teachers and support staff deliver weekly interventions to address identified gaps across school from R-Y6</li> <li>Additional daily phonics lesson timetabled</li> </ul>	<ul> <li>Gaps in learning are quickly and effectively addressed</li> <li>Pupils make at least good progress from their starting points post-lockdown.</li> </ul>	Monitoring and     evaluation of     lessons and     learning	
	Small group phonics delivery.	Pupils are on track to attain at standards broadly in line with pre-Covid predictions		

Based on baseline assessments - delivered by teachers and support staff.  Wellcomm speech intervention delivered weekly in Nursery, Reception and Year 1 to address gaps in speech and language.			
--	--	--	--

Disadvantaged pupils from Year 1 to 6 were all offered weekly small group / paired tutoring throughout the year to catch up on Reading, Writing and Maths skills. The focal points of these sessions were established through thorough analysis of individual needs and areas of development.

The tuition was delivered by class teachers from the school in pupils' classrooms to ensure all sessions were tailored to pupils' needs and were an extension of classroom teaching and learning.

All Disadvantaged pupils from Year 1 to Year 6 attended tutoring, apart from 5 pupils.

Other approaches				
Parents and carers are supported to help their child with learning	<ul> <li>All parents provided with information about their child's next steps and how to support at home</li> <li>Parent meetings arranged with children who did not engage with home learning.</li> <li>Parents online workshops focus on self-regulation, e.g. establishing a quiet place to work, organisation of equipment,</li> </ul>	Parents are provided with regular and supportive communications to increase attendance and engagement with learning	Parent feedback	

and work routines and habits  Parents provided with information about how to support their child's well-being and self-regulation through Zones of Regulation toolkit - designated area on the school website  Parental steering group developed (via Facebook initially) to provide a platform for parents to share views and ideas for the ongoing development of school, raise their own aspirations and increase career opportunities.	<ul> <li>Parents will be better equipped to support their children's emotional needs and help them to regulate at home. This will lead to less conflict in their home environment.</li> <li>Parents feel involved in, and actively contribute to, the life of the school.</li> <li>Parents are provided with development and training opportunities which increase their self esteem and employment opportunities.</li> </ul>	
--	---	--

To support pupils' well-being and help them to overcome barriers to learning	<ul> <li>Weekly mentoring sessions with Learning Mentors</li> <li>Further develop the pastoral support section of the website to include resource and resources for support</li> <li>Development of the Chatter Box system for pupils to self-refer when they are feeling emotionally vulnerable</li> </ul>	<ul> <li>Pupils are supported make good decisions about their own health and wellbeing.</li> <li>Pupils are able to recognise personal issues in themselves and others and, when issues arise, know how to seek support as early as possible from</li> </ul>	<ul> <li>Pupil voice</li> <li>Parent voice</li> <li>CPOMS records</li> <li>Monitoring and evaluation of lessons and learning</li> </ul>	
	Resources about     wellbeing including Zones     of Regulation shared with     staff and parents	<ul> <li>appropriate sources</li> <li>The curriculum promotes pupils' self-control, ability to self-regulate, and strategies for doing so</li> </ul>		

Conflict in school and at home is reduced  Pupils are emotionally ready to access their learning  In-school and community negative attitudes/stigma attached to mental health and wellbeing issues reduce.
<ul> <li>issues reduce.</li> <li>Parents have access</li> <li>to a range of</li> </ul>
resources to support their child's well- being.
The number of children requiring
pastoral support reduces

To provide all families with access to technology	<ul> <li>Audit of all families access to a device</li> <li>Safeguarding settings to be added to devices</li> <li>Pupils without access are provided with devices</li> <li>Loan school laptops to disadvantaged pupils without a device</li> </ul>	<ul> <li>Lack of access to technology is no longer a barrier for disadvantaged children</li> <li>All children can access the remote learning offer</li> </ul>	School audit detailing access to a device, the need to share and internet access  Effective contact with parents by phone or via socially distanced home visits as necessary	
			Advice by IT team followed in terms of most appropriate devices to support home learning.	
			Remote learning engagement tracking based on live lesson registers and work completion in portfolios	
			Access to tech support available through school
