

Sky Q not only offers exclusive access to various Sky channels, but also an extensive range of on-demand TV shows and movies. Sky Q offers the most extensive set of parental controls out of any of the major streaming platforms, and even has its own rating system.

To take advantage of these settings, follow our helpful guidance below.

To turn on Kids Safe mode follow these instructions:

- Select **Home** on your **Sky TV Remote** and then select **Kids**.
- Select **Safe Mode**.
- Enter your Sky TV PIN.
- Select **Kids Safe Profile** to turn it on.

To turn on the Family Setting follow these instructions:

- Select **Home** on your **Sky TV Remote**.
- Select **Settings** then **Parental**.
- Enter your Sky TV PIN.
- Select **Family**, then **Family Setting**.
- Select **On** to PIN protect all categories listed under Family.

Turn on request for a PIN code when making any purchases:

- Select **Home** on your **Sky TV Remote**.
- Select **Settings** and then **Parental**.
- Enter your Sky TV PIN.
- Select **Family** and then **Pin on Purchase**.
- Select **On** to ask for a PIN before a show can be rented or bought.
