What is a parent forum?

The Parent Forum is a partnership between parents and the school. It is a valuable way to share ideas, views, concerns and make suggestions for improvement.

It gives you an opportunity to get together on a regular basis with other parents to have your say on what the school is doing well, and suggest ideas of how things could be improved.

The aims of the Parent Forum will be to:

- Work together to improve the education provided for our children
- Share information, knowledge and skills
- Meet in a mutually supportive environment
- Further improve communications between parents, carers, staff and governors

What cannot be discussed at the meetings? Concerns or complaints involving individual children, families or members of staff. These issues should be raised in a confidential setting with the class teacher, Deputy Headteacher or Headteacher as appropriate.
