'Every School Day Counts!'

Attendance Matters

Regular attendance at school is very important for children to achieve the best they can. If children are absent from school, it not only affects their education but has a negative impact on them both socially and emotionally.

Pupils whose attendance is 96%-100%

- Keep up with work
- Have good friendships that last
- Understand lessons better
- Achieve better results
-

Pupils Whose attendance is unsatisfactory under 95%

- Find it difficult to maintain friendships
- Don't understand lessons as well
- Achieve less

Punctuality

Not only is it important to come to school every day it is equally important to make sure children are on time.

Classes are open from 8:45 for children to be sitting at their desk ready for registration at 8:55.

- **5 minutes late every day for a year = 3 days of lost learning.**
- **15 minutes late every day for a year = 2 weeks of lost learning.**
