

The Leys Primary and Nursery School – Parent Questionnaire Outcomes

Dear Parents and Carers

Please find attached the results of the latest survey we carried out in April/May. We had 176 families respond so we are very grateful to everyone who sent in a form. I shared the outcomes at our last Governing Body meeting, and the strong support of the school by parents and carers was noted. The increase of parents and carers who were choosing 'strongly agree' was also noted. We are all very grateful for this support. This is what makes the Leys such a great place to be. We have hard working and talented staff here at the Leys, and I can see that you appreciate the positive impact this has on your children. Our senior leadership team have taken the time to identify where we can improve as a school, following the analysis of the results. We have read through all the comments and discussed how we can take further action. Next year we would like to start up a Parent Forum again, so I would be very grateful to any parent/carer who would like to join us. Any further comments let me know.

Kind regards

Leigh Humphries and the Senior Leadership Team
