## Thought of the week next week

**I know how important it is to come into school every day by 8.45 p.m..**

This week Ahlberg class had a surprise fun afternoon with the rest of Year 2. Some children took part in Maypole dancing and others played on the Chromebooks and made clay teacups like the ones from Alice in Wonderland. Isabel thought that the clay was the most fun as she made a tiny teacup for the mouse and a big one for the Mad Hatter. Ronnie liked the chrome books as they were allowed to pick any game they wanted from Purple Mash. Kaitlyn said that plaiting the ribbons on the Maypole was most fun.

### Social Moral Spiritual Cultural (SMSC) and British Values

On Wednesday, some of the KS1 children attended a Maypole Festival that was being held in school. Lots of fun was had by all!

"First, we went into the hall and played some different games. My favourite was the game where you had to throw a ball onto a trampoline to make it bounce back to you.

After we finished all of the activities, we went to the maypole. It was so much fun! First we watched some other children joining in and then it was our turn! We had to hold a ribbon by looping our fingers into the hole. Then we had to skip around the maypole to music and this plaited all of the ribbons. After this, we learned some different dance moves and did some singing. It was lots of fun and I enjoyed learning how to dance around a maypole!"
