CLASS OF THE WEEK

Year 2 : Donaldson & Gravett

Well done to both classes for drawing Animals.

This week our pupils became Artists; perfecting their sketching skills, adding colours and accuracy. These are amazing!

Writer of the Week-

Ronnie Fountain - Tolkien

Who is that extraordinary author and what is he all about? Please read on to find out more...

Tolkien is a superior, pleasant author, extremely special too! J.R.R.'s books are unbelievably magnificent! He was also a very hard worker, he was a university professor, a soldier, a codebreaker and, of course, an author. J.R.R.'s memorable books are: The Hobbit and the Lord of the Rings. These fantastic books are read lots and lots of times!

History of Tolkien's Books

In some of Tolkien's books, they included different languages, 2 are spoken by the Elves and one by the almighty dwarves. J.R.R. also thought about the history of something called Middle Earth.

WELLBEING

Yesterday our Mental Health Worker, Leila Touhami, came into school. She has been working with us since the spring, but was excited to be able to get into school and finally interact with us all. She will be regularly visiting for some part of the day, each Thursday from now onwards and we will be continuing to refer some children/families for support from her. She is very keen to discover more about our school and how we all work together to benefit the pupils so she can provide support where needed. She is looking forward to meeting everyone and will be engaging with more staff and children in the coming weeks and will be providing staff training and parent workshops on Mental Health later in the academic year.

Celebration Trees

A huge thank you Mrs Banks who has been working very hard behind the scenes to design and create these wonderful displays for pupils to celebrate their achievements both at home and at school! We can't wait to share their achievement with the rest of the school.

University Challenge

Last week, we introduced University Challenge time to pupils from Year 2 to Year 6.

Each Friday afternoon, pupils will have a range of creative tasks to complete and carry out with the rest of their class, to receive a termly graduation certificate. Our pupils had great fun across the school! Pupils practiced tying ties, perfecting their kart wheels on the school field, using their green fingers to dig up our garden areas, tying knots and becoming Artists! Have a look!

Reading

UPDATE

As a school we are really committed to developing confident, fluent readers who have a love of reading. As well as our Guided reading and phonics sessions we are working hard on reading for pleasure across the school. One of the ways we are doing this is by having 'Reading Suitcases'. These are suitcase full of books for the children to read and share with their friends while outside on the playground during lunchtimes.

HOLIDAYS

Please be aware that the government continues to regard holidays during term time as unauthorised unless there are exceptional circumstances to consider. Parents who decide to take pupils on holiday during term time may incur a fine.

Please note that the May half term break has been extended on both sides to allow more time for travelling for planned holidays.

Friday 27th May 2022 Occasional Day due to Queen's Platinum Jubilee- school is closed

May half term Monday 30th May to Friday 3rd June

Monday 6th June Inset Day- School is closed

Pupis return on Tuesday 7th June 2022
