Dear Parents/Carers

Year 6 Science & PSHE

As part of our Science and PSHE curriculum we shall be discussing relationships, puberty and sex education with the children during the summer term.

We hope that the children will benefit in both knowledge and understanding of these issues. Please support your child by answering any questions that they may have or directing them to ask one of us at school.

If you have any concerns, or wish to discuss this further, please contact us. Please let us know in writing if your child is not participating.

Thank you.

Yours sincerely

Miss Sullivan, Mr Zarka and Mrs Tucker.

---

I **DO NOT** wish my child to participate in Year 6 Science and PSHE lessons.
