

My Parliament Election Speech

My name is Ellen and this is my chance to get your vote for Pupil Cabinet.

If you vote for me, every single child at The Leys will be happy and never want to leave. I will do this by listening to everyone's stunning ideas and reflect back at the meeting on what you want. Every idea will shine through. No kid gets left behind.

I shall attend every meeting so you can 100% rely on me to tell the teachers what you need. Also, I am very confident of speaking up and am not afraid of a crowd.

Thirdly, I will put the 'fun' into fundraising. Then I'll discuss with everyone else to try and make your dreams for the school come true with the money we raise.

I will also try to make this school even better and more amazing and exciting than it already is.

I will definitely try to be a good role model.

Thank you for listening.

Vote for me. You won't regret it!
