What Our Parents Say about their More Able Child's Learning (May 2022)

★ 'The school and teacher encourage and praise for good work' Year 5 parent.

★ 'My daughter is enjoying her school time and she is always looking forward to going to school' Year 3 parent.

★ 'My child is happy in the school, and has made good friends' Year 2 Parent.

★ 'My child is happy at school, is making friends, and loves her teacher' Reception parent.

★ 'My daughter has progressed very well and especially excelled in Year 1. Her reading has advanced so quickly and she is very fluent and accurate with many of her books' Year 1 parent.

★ 'A very supportive environment' Year 3 parent.

★ 'The Leys have been amazing for both of my more able children. They have always been challenged and pushed to do the best they can' Year 5 parent.

★ 'She has always had very good teachers from Reception to Year 6. Has always been challenged and never left to get bored. Teachers are willing to help and spend time with her if there is something she doesn't understand. I am very happy with her education' Year 6 Parent.

★ 'She has made great progress this year, her teacher has been amazing' Year 4 parent.

★ 'My son has improved so much over the years, not just with maths (which he loves) but all subjects too. Considering the difficulties that he could have with his meltdowns at school, we're pleased with the general progress he's made' Year 2 parent.

★ 'We understand that our child is given extension work and mastery work to keep him engaged. Generally, we do appreciate

the topic based cross-curricular activities that he seems to enjoy and also the school "events", i.e. Easter Egg Hunt' Year 3 Parent.

★ 'My child's current Year 5 teachers are very good with the children and make going to school enjoyable and a safe environment for my child' Year 5 Parent.

★ 'My daughter has settled in well and made great progress' Year 3 parent.

★ 'It is a rich learning environment' Reception parent.

★ 'She loves school' Year 4 Parent.
