UPDATE

Year 5 History Fair

Year 5 held an Ancient Greek Fair this week. They displayed all of their amazing work that they completed over the course of the last term. All of the pupils from around the school came to see what the year 5s had been up to and at the end of the day, their parents also came to have a look. It was an amazing day and the Y5 pupils really enjoyed teaching others about life as an Ancient Greek.

CLASS OF THE WEEK

This week class of the week is being shared between Strong and Morpurgo class. This week Year 4 has been to Wymondley woods. We have spent the last few days exploring the woods, completing challenges and spending our evenings singing and dancing around a campfire.

Year 4 have been really proud of the dens they have been building in the woods, making sure that they fit everyone in and shelter them from the elements. This was made slightly harder as the children also needed to take their building materials back to the camp to use as firewood!

Class: Rosen
Pupil: Christina Amuzu

Horror story climax:

The peace didn't last. BANG! BANG! BANG! This time it was louder. Loud like a person knocking on a wooden door with a hammer. But... There was no door. It was coming from the bottom of the boat. She froze in fear. She stared around the boat again, finding nothing. Her heart was pounding fast like a race car.

She gripped onto the boat until her knuckles went white. As she tried to relax herself, she knew she had to leave. The introvert grabbed onto the oars frantically and rowed with all her strength. She knew she would make good progress since the water was still and smooth. After a few minutes of rowing, she looked around thinking she had hit shore but the boat was anchored in place.

BANG! BANG! BANG! The explorer heard it again. Her eyes filled with tears. She drew her knees up to her chest and embraced them tightly, afraid to move. The terrified teenager wailed. Her sobbing echoed through the night's atmosphere. After calming herself down, the boat was silent once again for 10 minutes ... then 20 ... then 30.

Reader of the Month Maya - Jeffers Class

The reader of the month for Jeffers class is Maya, she has been reading consistently at home with her mum and this has earned her a certificate for reading 40 times. Maya is confident to join in with reading in phonics and is trying hard to use her phonic knowledge to read the book with her partner.

Spiritual, Moral, Social, Cultural and British Values

"Over the course of year 6, we have been using Watford's positive minds to get ready for the transition from primary school to secondary school. We have covered various topics such as gaming and how to talk about our mental health. I personally think that it has helped me because I understand mental health and who I can talk to about it better now. Some activities that we have done are; box breathing, stress buckets and human

bingo." *Ellen Year 6*

Sports Day

Wow! What a success!

This year we welcomed back our first 'non covid restricted' sports day. Starting off the day with our lovely nursery students and finishing the day off was year 6 with their last ever Leys sports day. The day was thoroughly enjoyed by all staff, pupils and parents. We would like to thank everyone involved and parents/carers for attending. We look forward to next year.

The Leys Have Talent

Abigail, in year 6, and Kai, in year 5, represented the North Herts Swimming team at the annual Hertfordshire Primary School District Championships held in Watford.

Both Abigail and Kai achieved new personal bests in both of their races and helped the team to achieve an overall 3rd place finish.

Kai was also a part of the boys 4x 25m freestyle relay on the night where he and his teammates won Gold in the event.

Well done Abigail and Kai! Fantastic achievements!

Dance Festival

We're incredibly proud of Chloe, Chantelle, Elizabeth and Baylie who took part in the Dance Festival this week. They showcased their talent, confidence and skill incredibly, well done girls.
