For After School Clubs-Individual letters will be sent the evening of Friday 24th March 2023, for parents to sign up their child via school comms, except dance which will go live on 11th April 2023.

Once your child has signed up to a club, they are expected to attend every week. You MUST inform the Club leader if your child is going to be absent from the club, or no longer wishes to attend. Please ensure that your child is collected on time.

It is school policy that children must demonstrate a high standard of behaviour in order to attend clubs. The offer of a place in a club may be withdrawn at the discretion of the Club Leader or Headteacher/Deputy Headteacher if this high standard is not maintained.

Please could parents ensure that their child wishes to attend the club, as the expectation is that once signed up they commit to coming for the period of time that the club runs for. Also, take note of other clubs taking place on the same day to avoid clashing. Your help with this would be much appreciated. Places are limited, therefore we will operate on a first come-first serve basis.

Yours sincerely
