

Autumn term 24-25 update - Nursery

Autumn 1 and Autumn 2 – Settling in / All about me / Amazing Animals

For the first half term, the children have been settling into Nursery and learning a new routine. They have enjoyed exploring different areas of our classroom and garden and learning how to play in them. We have introduced the golden rules that keep us safe in Nursery and have also been learning how to be independent in our new setting (for example putting on our coats and welly boots). We enjoyed playing with Fred the bear - our Nursery bear and enjoyed celebrating his 4th birthday. It has been lovely to see the children exploring different areas and beginning to develop some friendships!

During the second half term, our topic was 'Amazing Animals'. The children have been learning about different animals and their habitats. We have engaged in lots of craft activities, with the children showcasing their interpretations of different animals, such as giraffes, hedgehogs and badgers. We have been looking at patterns and identifying which animals have which patterns. The children have also been busy making cakes for Enterprise Day. The cakes were so delicious that they all sold out within 20 minutes of opening! The children have also been practising new songs, ready for our Christmas performance.

Autumn 1 and 2 core books :

1. We're Going on a Bear Hunt
2. Brown Bear, Brown Bear
