Preventing child sexual exploitation

Each year, thousands of young people
are abused and groomed to have sex.
Some are tricked into thinking they're
in a 'normal', even loving relationship,
then they are threatened and passed
around to strangers. This needs to
stop. We want to end child sexual
exploitation and make sure childhood
abuse doesn't define a young person's
future.

April is Stress Awareness month and the theme for 2025 is **Lead with Love**, which promotes kindness, compassion, and acceptance. This aims to encourage everyone to create a supportive environment where people feel comfortable discussing stress without judgment. Stress can be managed by adopting healthy habits like practicing mindfulness and meditation, regular physical exercise, maintaining a balanced diet, good sleep, seeking support from friends or experts, and setting boundaries in personal and professional life.
