WELLBEING

This week has been **Healthy Living** week and as well as Sports Day we have been talking about keeping healthy by walking or riding to school rather than coming in a car. Also how we look after our bodies from washing our hands and cleaning our teeth, to eating a healthy diet and getting enough sleep. We also talked in assembly about helping our mental health by relaxing, spending time with family and friends and talking about big emotions. Below is an emotion wheel, which can be used to support children who struggle

to identify and talk about their emotions. It can be used as a visual prompt to teach the language of emotions or for an adult to model the different emotions experienced and how they manage these feelings in a healthy way.
