1. Our Commitment

The Leys Primary and Nursery School is committed to openness and transparency. Under the Freedom of Information Act 2000 (FOI), anyone has the right to request information that we hold. This policy explains how we handle these requests and what information we make publicly available.

We follow guidance from the Information Commissioner's Office (ICO), which can be found at www.ico.org.uk

2. What is Freedom of Information?

The Freedom of Information Act 2000 gives anyone the right to:

- Ask whether we hold specific information
- Receive a copy of that information (subject to certain exemptions)

Key points:

- Requests must be made in writing (including email)
- Requesters must provide their name and correspondence address
- They don't need to mention the FOI Act or explain why they want the information
- We have 20 working days (excluding school holidays) to respond
- The Act covers all records we hold, past and present (subject to our retention schedule)

3. Types of Information Requests

We handle three different types of requests:

Freedom of Information (FOI) Requests

General requests for information about the school, its policies, spending, decisions, etc.

Subject Access Requests (SARs)

Requests from individuals for their own personal data. These are handled under GDPR, not FOI. Individuals should complete our SAR form and submit it to our Data Protection Officer:

Patrick Aikman – patrick@schoolposervice.com

Environmental Information Regulations (EIR) Requests

Requests about anything relating to the environment, including:

- Air, water, land quality
- The natural world or built environment
- Health and safety issues (e.g., chemicals used on school land, phone masts, car parks)

Note: EIR requests can be made verbally, unlike FOI requests.

5. How to Request Information

If the information is in our Publication Scheme:

- Check our website first
- For items marked "available on request," contact the school by phone or email

If the information is not in our Publication Scheme:

Make your request in writing:

- By email to: admin@leys.herts.sch.uk
- By post to: The Leys Primary and Nursery School, Ripon Rd, Stevenage, SG1 4QZ
- Clearly mark it "FREEDOM OF INFORMATION REQUEST"

Include:

- Your name
- Your correspondence address
- A clear description of the information you want

We will:

- Acknowledge your request
- Confirm whether we hold the information
- Provide the information within 20 working days (excluding school holidays), unless an exemption applies
- Explain our reasons if we cannot provide the information

6. When We May Not Provide Information

Cost Limit

We may refuse requests where the cost of gathering and providing the information exceeds £450. This is calculated based on staff time at £25 per hour.

Exemptions

Some information is exempt from disclosure. Exemptions fall into two categories:

Absolute exemptions - we do not have to disclose the information (e.g., personal data of third parties, information provided in confidence)

Qualified exemptions - we apply a public interest test to decide whether to disclose (e.g., information that could prejudice law enforcement, commercially sensitive information)

When we apply a qualified exemption, we assess whether the public interest in withholding the information outweighs the public interest in disclosing it.

We maintain a register of refused requests and the reasons for refusal, which we keep for 5 years.

For detailed guidance on exemptions, see the ICO website.

2. **Forward it immediately** to the Headteacher, marking it "FOI REQUEST"
3. **Do not delete or destroy** any records relating to the request
