

# The Leys Attendance Newsletter

Autumn Term 2019

Dear Parents/Carers

We are sure that like us, you as parents and carers realise the importance of attendance and punctuality. At The Leys we have been working hard to try to raise attendance levels and to reduce instances of lateness. Our target for whole school attendance is 97%.

## Attendance facts:

- All schools must report their termly attendance percentages to the Local Authority
- If your child is not in school s/he does not reach his/her learning potential
- If your child's attendance falls **below 95%** they will be monitored by the Attendance Team and absences may not be authorised without evidence
- Parents have a **legal** responsibility to ensure that their child receives a full time education Parents can be issued with **fixed penalty notices (fines)** for failing to ensure that their child attends school regularly - this includes taking children out of school on holiday
- The local authority has the power to **prosecute parents** in the magistrate's court for the offence of failing to ensure their child attends school regularly
- If your child arrives after 9.10am **we are required to mark them as having unauthorised absence for the whole morning** - arriving after 9.10am once a week brings their attendance down to 90% for that week

There is much evidence to show that good attendance plays a vital role in helping your child to achieve their potential. We also know that poor attendance can lead to other problems for children.

**Children who do not attend school regularly are more likely to:**

- Fall behind in their school work
- Find it difficult to make and keep friends
- Be unhappy at school
- Misbehave so others cannot see that they are finding the work difficult
- Learn poor attendance habits that follow through into secondary school and employment

**Poor punctuality can also disadvantage children in many ways:**

- Being frequently late for school adds up to lost learning - for example arriving 15 minutes late every day is the same as being absent for 2 weeks a year
- When children are late they find it harder to settle into the routine of the day
- When children arrive late they often miss key messages and teaching which continues to have an effect on their learning for the rest of the lesson or day
- Poor punctuality disrupts the class and is embarrassing for the child
- Your child being late disturbs the learning of the whole class

### Term - time holidays

- ALL families who take their children out of school during term time must contact the school office giving two weeks notice and meet with the Headteacher.
- Only emergencies and medical appointments are authorised. All other absence is unauthorised.
- Teachers often voice concern for the progress of pupils who are absent due to unauthorised absence.
- DID YOU KNOW... that parents and carers can get fined if a child has both unauthorised holidays as well as absence for other reasons?
- Plan your holidays in advance. Our holidays dates are always on the website!!!

**Getting here on time every day really is important in helping your child to become a happy and successful learner. Every day really does count!**

### How can you help your child attend school regularly?

- Talk to your child about school
- Take a positive interest in your child's work, including homework
- Make sure your child understands why school is important
- Show your child that you are interested in what they have done at school
- Get everything ready for school the night before
- Arrange appointments before or after school or during the school holidays
- Bring your child to school for the time before or after an appointment wherever possible
- Take holidays during school holidays and not during term time
- Set your alarm and your child's alarm clock- see who can beat the clock!
- Only grant days at home for **genuine** illness (you will know!)
- If your child is slightly under the weather, still send them into school- children often start feeling better as the day goes on and they get busy, and if the school is worried they will call
- Children can attend school if they are taking medicines - speak to the school office

Please also ensure that you:

- Keep in touch with school staff- we may be able to support you with advice, rewards for your child or other incentives
- Contact school on the first day of absence if your child is unable to attend for whatever reason and keep in contact with school on subsequent days of absence
- Give up to date contact details to school
- Attend attendance meetings if you are invited to do so - in these meetings we can agree an action plan so that school, parents and children can work together to improve attendance
- If your child is absent due to an appointment, please show the office or any of the Attendance Team the appointment card or letter - clearly named and dated prescriptions can also be used as evidence

Please **help us** and **your child** by ensuring their attendance remains above **97%**, allowing them to **achieve** their potential.
