UPDATE

Writing

This half term the whole school has been looking at the book **Flotsam** by David Weisner. It is a wordless book about the journey of an underwater camera- it contains many fascinating and unique images. The children have thoroughly enjoyed their cross-curricular work around this book and the writing that has come out of it has been Amazing! There has also been some excellent Art and D.T work!

CLASS OF THE WEEK

*This week we have been working on our artwork to go with the whole school text, **Flotsam**. We first looked at some images of sea turtles underwater. Then, we used paints to paint our background using tints and tones. Next, we watched a youtube tutorial on how to draw a turtle. We then made our own turtles and coloured them in and cut them out. Finally, we glued the turtle to the background taking into consideration the direction the light is entering the picture.*

Class: Shakespeare
Pupil: Hannah Magdalena

This week we have had fun in class reading about Wallace & Gromit's 'Cracking Contraptions' and then focussed our writing on how to use description to enhance our explanation:

For the casual person on the street, the 'bully-proof vest' appears to be an innocuous piece of clothing but it actually provides a unique defence from physical attack. This device is put together mainly from tungsten, which is carefully chosen for wearing, since it is also a lightweight material.

This strong shield is toughened using a mixture of riveted steel banding, which holds long, narrow strips together, shaped in a beautiful diamond format. This ensures the greatest possible strength. Not only is it created with the use of tungsten, this personal protection also coordinates with colourful, vibrant garments from around the world.

Spiritual, Moral, Social, Cultural and British Values

During this term, year 6 are looking at the style of Japanese art. This week, Kipling class had a chance to make their own origami. They made a variety of different shapes and enjoyed being able to take part in the mindful activity.

WELLBEING

In preparation for our Mental Health Week, the children from year 1 to 6 are completing a well being questionnaire. This is to help us gather evidence towards achieving the Hertfordshire Mental Health Kitemark, also to identify areas of need that we can work on with the children. The younger children in years 1 and 2 completed 10 questions in groups with their adults. We have found that,

- 81% have friend to talk to
- 73% feel liked by others
- 85% are happy
- 73% felt there were many things they could do well
- 95% know who to ask if they need help
- 68% get enough sleep
- 68% eat healthily
- 87% are proud of themselves

Class teachers will be completing work on healthy eating, the importance of sleep and helping children to identify positive strengths.

We are extremely proud of our Year 6 pupils who have been creating some marvellous pieces of writing based on our whole school book Flotsam
