

## Talk of the Town: a reminder

- A programme taking place in our school this academic year, until July
- Helps children with talking, listening and learning new words.
- A speech and language therapist is working with teachers and teaching assistants to help children with speaking and listening.
- All the children will work on speaking and listening as part of their lessons.

### Take a look at Talking Point

On the Talking Point website you'll find all you need to know about supporting your child's speech and language development.

The website has been designed for parents and contains lots of helpful information.

Talking Point helps you see where your child is at with their speech and language against what's expected for their age. It also contains lots of resources for speech, language and communication.

You can find Talking Point here:

Understanding words, sentences and conversations is a really important skill for talking and learning.

Take a look at the activities included with this newsletter to help with 'understanding'.

Try them out with your child at home – have fun with words!
